

Sleep Number Kids™ Bedding Keeps Little Ones Tucked In All Night Long

No more bunched up bedding on the bed! Being comfy-cozy is the best way to sleep, so we've created Sleep Number Kids™ bedding that actually stay on the bed, no matter how much your kiddo tosses and turns. Our new bedding makes bedtime less tiresome for parents, and helps kids get their daily dose of Vitamin Z.

We'll Tuck You In

With our exclusive Smart Button™ Bedding kids stay tucked in all night. And in the morning they'll easily make their bed just right.

- **Smart Button Bedding**

Fitted sheet is designed with two buttons on each side for your kid's individual comfort and snugness. Top sheet features elastic at the bottom and buttons to the fitted sheet, so wiggly feet stay covered. Sleep Number Kids™ blanket buttons to fitted sheet for an extra layer of coziness. SmartFit™ design and anchor band snaps keep kids snug and secure

Everything Kids Need to Rest Easy
